

K-LOVE provides a much needed Christian radio station to our local community. As the mother of a 4-year old, I am always worried about what she hears on secular radio stations. K-LOVE is the one radio station we can listen to as a family and not worry about foul language, lyrics, etc. Our community would be losing a great source of Christian music if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. The service provided by K-LOVE is in the public interest because it give the public the opportunity to choose a radio station that provides good, wholesome entertainment with a Christian message.
